# VALIDATED DISINFECTION WASH

*Aquawing is the only ozone system validating disinfection on every wash to eradicate viruses, superbugs, bacteria, and molds.*

**Kills  
Bacteria**

**Destroys  
Viruses**

**Removes  
Carcinogens**

## TECHNOLOGY

*Aquawing's seven patents deliver unmatched disinfection, savings, and quality. The DEFENDQR series is leading the industry.*

**Patented Variable Ozone** - Dirtier loads get more ozone and the rest get less. Simple & effective.

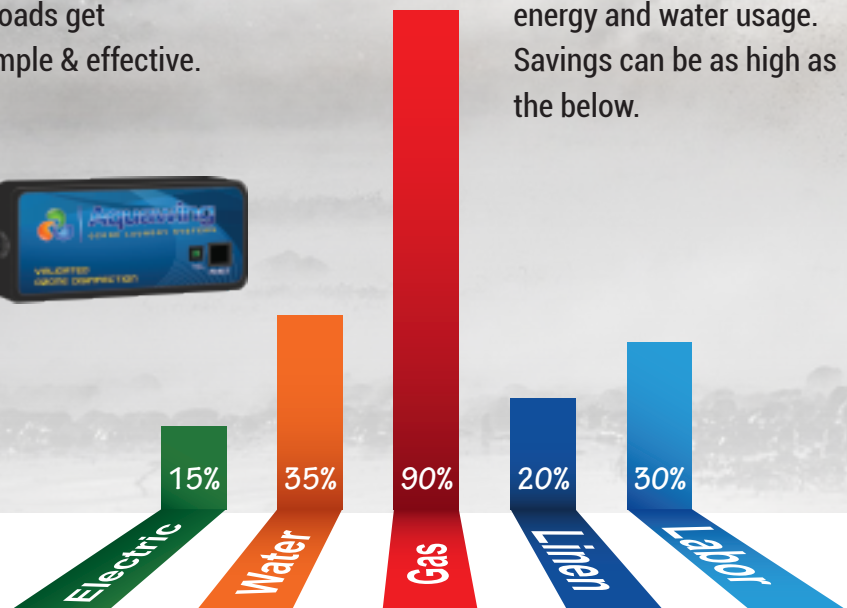

### Patented Validated Ozone (VO<sub>3</sub>)

Illuminates each wash so users know every wash is disinfected. How can users know otherwise?

## SAVINGS

Aquawing ozone systems bring massive cost savings to customers by increasing efficiency while reducing energy and water usage. Savings can be as high as the below.
